Description

JAMO C 95 II NEW CONCERT SERIES II FLOORSTANDING SPEAKER

Providing the perfect blend of premium acoustic performance with a modern, luxurious design, the C 95 II floorstanding speakers offer exceptional sound quality.

Concert-level sound reproduction through high-quality woofers

Deeper bass and less distortion using technology to move the sound further

A cleaner sound throughout your space, even if you change seats

Available in Black Ash, White Oak, and Dark Apple woodgrain finishes

BEYOND REAL

Using Hybrid Composition Conical Cone (HCCC) woofers, the C 95 II boasts a true 2-way bass reflex system design for exceptional detail and balanced, dynamic reproduction.

CLEANER SOUND

A 1" Silk dome tweeter mated to an Anti-Diffraction Waveguide offers a cleaner sound throughout your space, even if you change seats.

A SOPHISTICATED UPGRADE

The Concert 9 Series II brings to life several key aesthetic changes, including high-quality wood grain finishes and full-length woven tweed grilles to seamlessly integrate into your space.

STRONGER STABILITY

Featuring sleek, chrome logos, satin aluminum trim rings, centre plugs, and stabilizer feet, the Concert 9 Series II offers both aesthetic elegance and exceptional acoustic performance.
